

Low Carbon Hub Office:

Postal address: Holywell House, Osney Mead, Oxford OX2 0ES

Please note the post code for navigation is: OX2 0FA

Our What Three Words address is: Tower.wisely.small

The next page shows how to find our office – it is situated behind the ‘Core Filing’ building.

If you are walking (or cycling)

The office is a 10–15 minute walk from the train station (see other page).

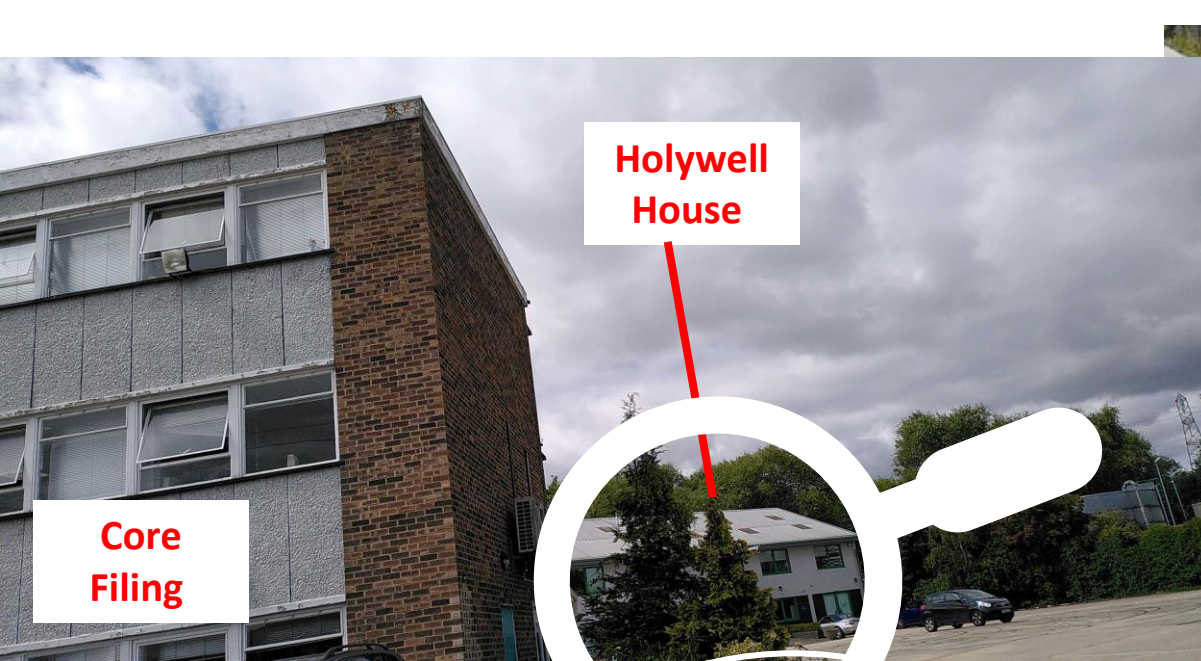

If you are driving

Please ensure you have requested a parking permit for the office – we only have two visitor passes.

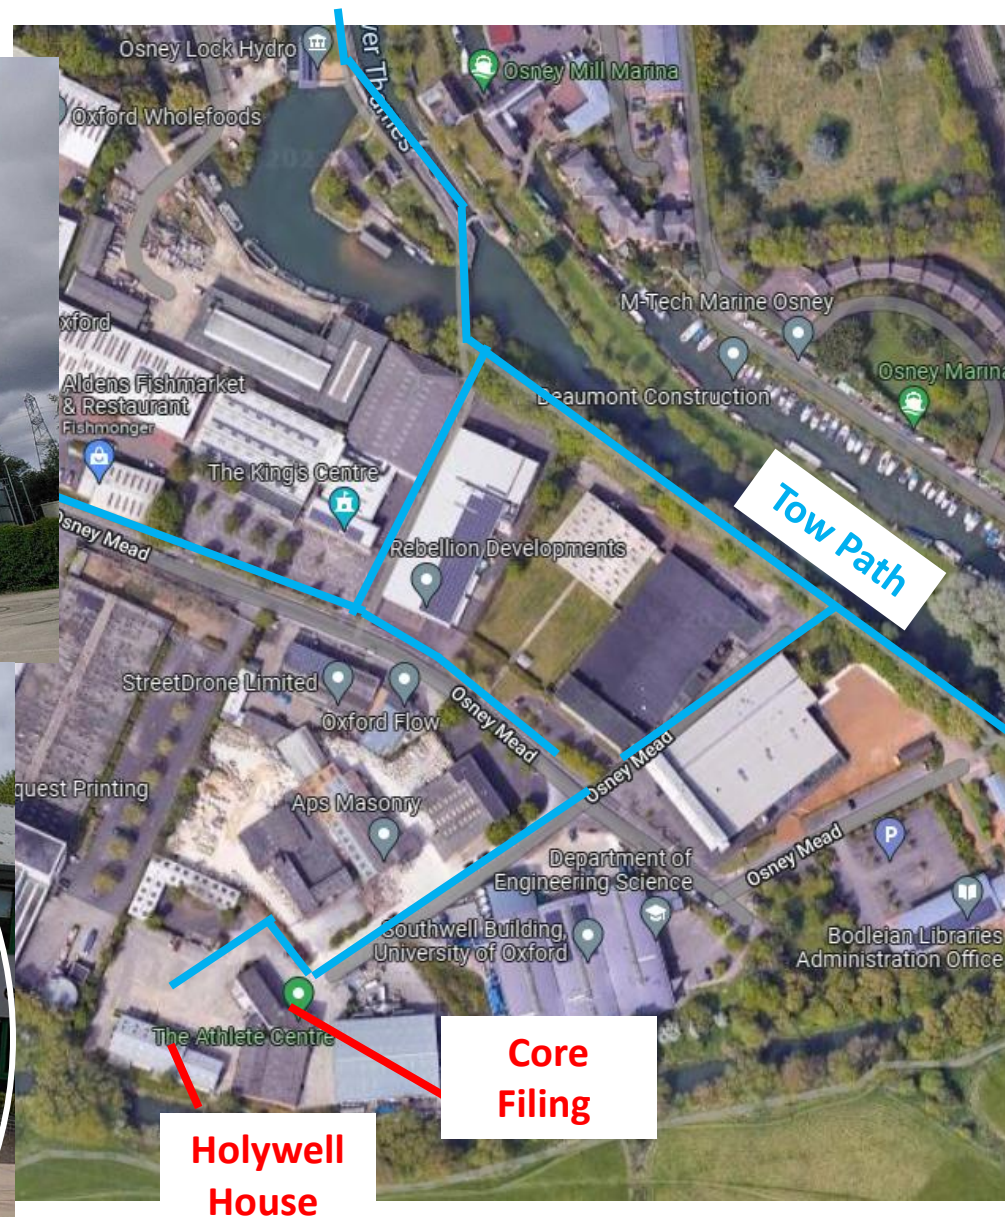

The traffic into Oxford in the morning rush hour is very heavy on Botley Road. Please check navigation with the precise time you will be travelling to ensure that you get the best estimate.

You can park at Seacourt Park and Ride and buses stop on Botley Road and near the train station. If you are running late or traffic is heavier than expected, then this is likely to be the fastest way to get to our office (see final page).

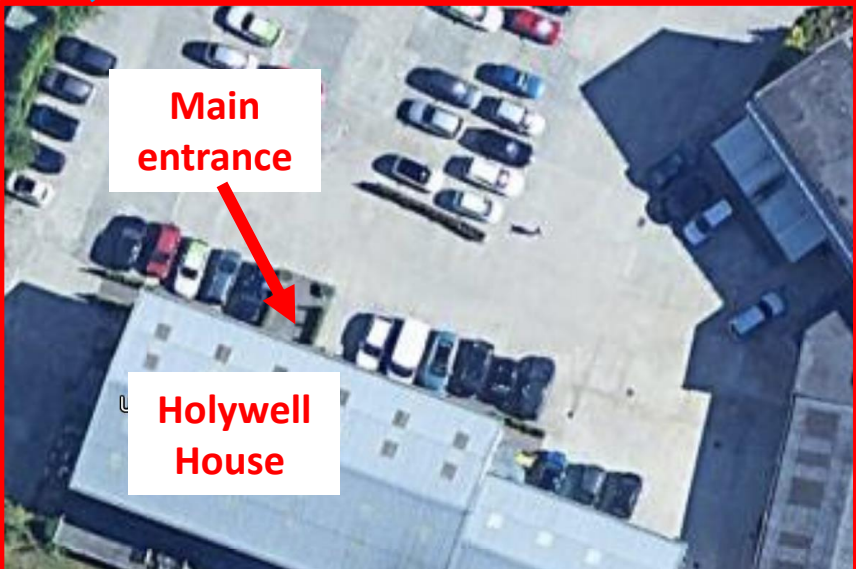

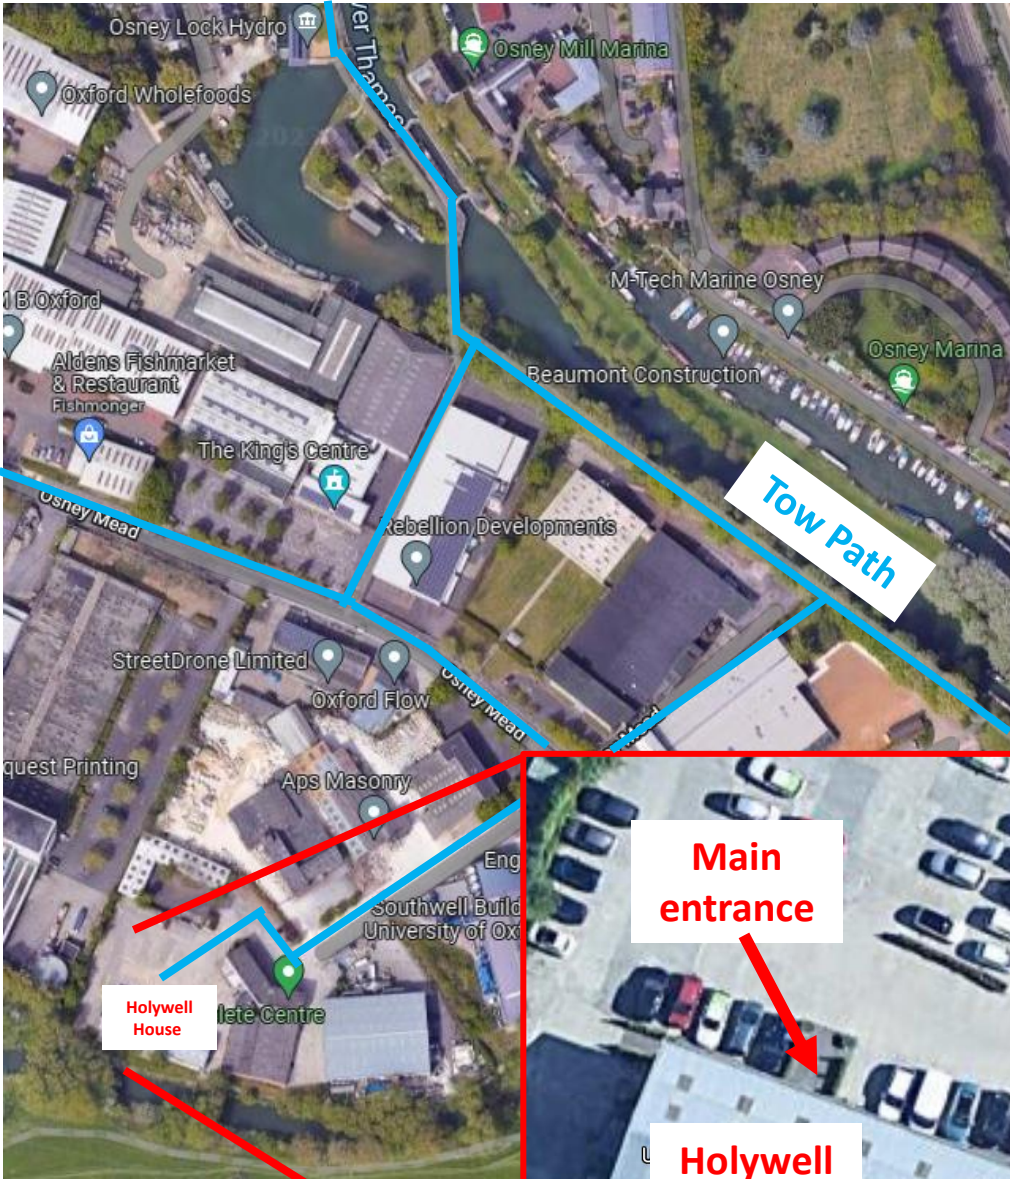

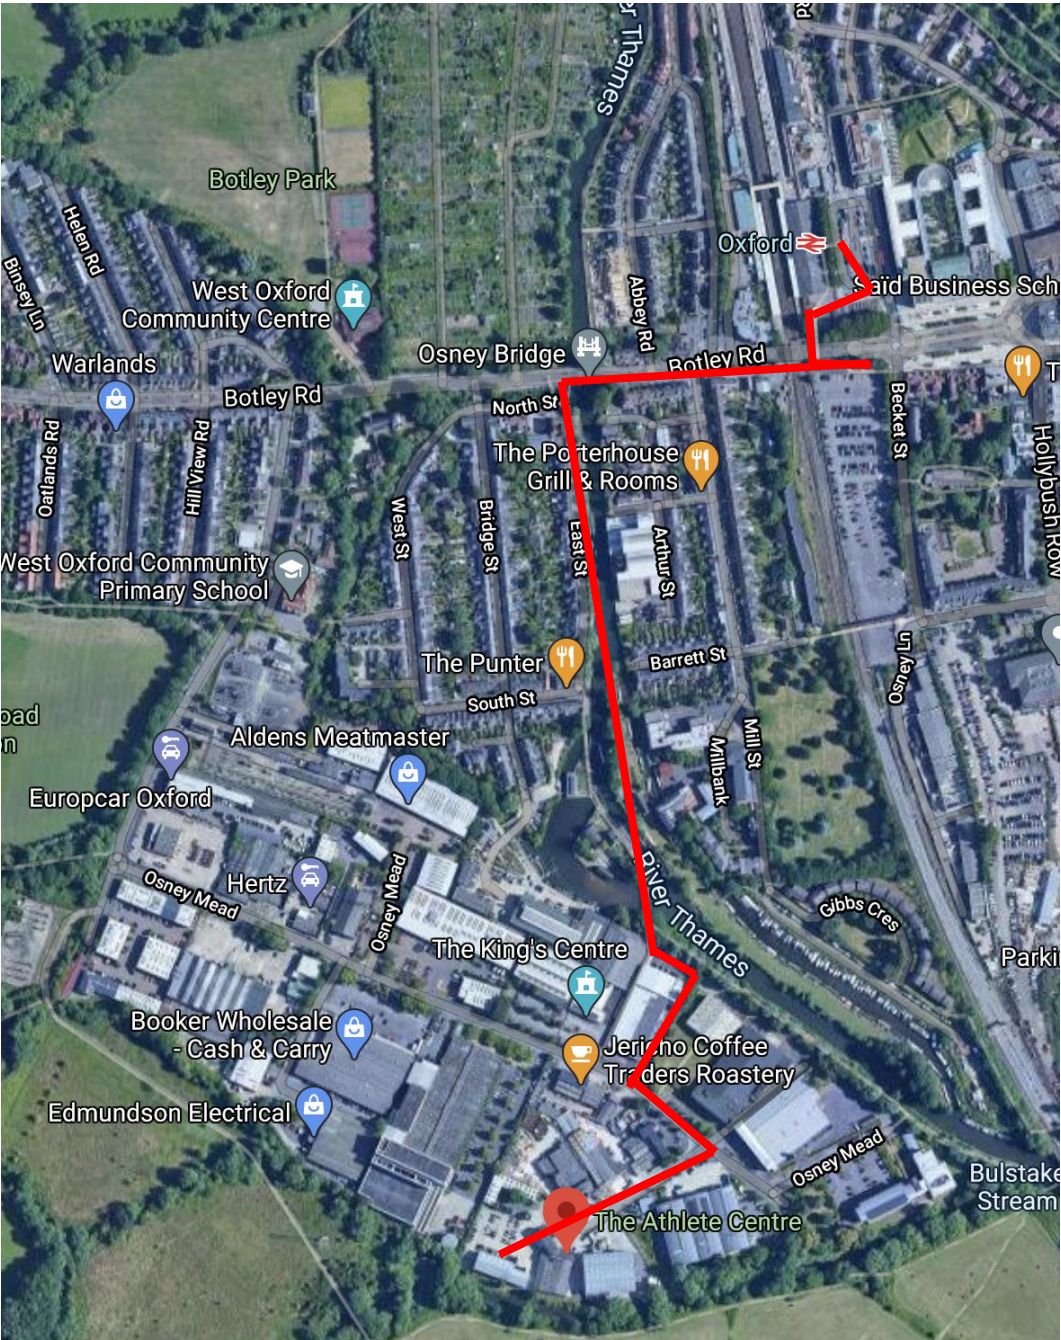

This is what Holywell House looks like and how to find it:

- Walk straight on towards 'Core Filing' building
- Turn right once there, to go around it
- Once you get around its corner, you'll see Holywell House

Walking or cycling from the train station – park and ride buses also stop near the train station and on Botley Road.

Driving: exit the A34 at the Botley Interchange. Consider using the Park and Ride or allow extra time for rush hour traffic on the Botley Road.
